STATEMENTS FROM THE PUBLIC

Lindsay Rutherford – Member of the community and has the student who is a senior this year. I know that it is your choice, who gets the next seat on the board. I would urge you to choose someone that is invested in our community, devoted to the wellbeing, and success of the students and the staff of the school corporation. This next person should be a level headed leader with morals and only positive intentions with the children of our schools. Someone who will be willing to take the position seriously. Without pushing their own agenda, all the while looking at each issue with sensibility and compassion for everyone and everything involved. I appreciate that as a member of the community and with a parent in the school corporation, I think that the staff, the students, the administrators all deserve that special attention of the school board.
