Statements/Concerns of the Board

Matt Bunner – 13 days until solar eclipse and the community is wanting to know the plan. How are plans being communicated with students and parents?

Mr. Schneider – solar eclipse glasses have been purchased for the whole corporation. Most schools in the area that are out are concerned with traffic. This is a big learning experience.

Melissa Middleton – confident that principals and staff have shared this with students and parents. Students get to learn as a group with classmates and teachers. Students have a great opportunity to learn from this event.
